AAF						

1. A new road six kilometers long, linking Varos with Poljice via Vinica is under construction in the Karlovac region.
2. With a view to improving communications between Zagreb and Bosnia, a metalled (sic) highway is being constructed between Lasinja and Paunovak via Dugoselo - Stipan - Ostrosin - Virgin Most - Perna. This road is calculated to save 20 kilometers on existing communications.
3. A new wooden bridge, 135 meters long, is being constructed over the Kupa river near Lasinja.
4. A road bridge over the Sava river is under construction between the villages of Breg and Vrhovo (Celje area).
5. A road and railway bridge, 630 meters in length, has been constructed over the Sava river at Sabac.
6. A reinforced concrete railway bridge over the River Lonja at Tedrovec between Ivanic-grad and Precec has been constructed and will be open to traffic in early September.
